Subject No. 384.
Clearing weeds in channels.

Summary of discussion.—The raiyats may be relieved of their obligation to clear weeds in channels.

Reply of Government.—See reply to No. 341 above.

Subject No. 385.
Overflow of the Ramaswami channel.

Summary of discussion.—Steps should be taken to prevent the Ramaswami channel overflowing its bund and damaging the lands under cultivation.

Reply of Government.—The Deputy Commissioner and Public Works Department will see to this.

Subject No. 386.
Requisite works to the Cauvery banks at Talkad and Tukkur.

Summary of discussion.—Requisite works to the banks of the Cauvery river at Talkad and Tukkur should be executed early.

Reply of Government.—The Deputy Commissioner will enquire and do whatever is really required.

Subject No. 387.
An Assistant Commissioner required at Seringapatam.

Summary of discussion.—An Assistant Commissioner with Magisterial powers should be stationed at Seringapatam and be also made the President of the Municipal Board.

Reply of Government.—An Assistant Commissioner now goes to Seringapatam from Mysore to assist the Sub-Division Magistrate. The question of permanently attaching him to the Sub-Division is under consideration.

Subject No. 388.
Grant of channel-repair-contracts to raiyats.

Summary of discussion.—Contracts for repairs of channels should be given to the raiyats holding lands irrigated by those channels.

Reply of Government.—This is the present sanctioned rule, but it cannot be done where raiyats refuse to take up the contract.

Subject No. 389.
Water-supply for Palhalli.

Summary of discussion.—Palhalli may be supplied with water from the Mysore water-supply works now in progress.

Reply of Government.—Noted.

Subject No. 390.
The Palhalli Agricultural Bank-Loans.

Summary of discussion.—The time for the re-payment of loans obtained from the Agricultural Bank at Palhalli should be extended from 15 to 24 months.

Reply of Government.—Time will be extended by new rules. (See Appendix F.)

Subject No. 391.
Municipal Rules for Nanjangud.

Summary of discussion.—Municipal Rules may be introduced into the town of Nanjangud.

Reply of Government.—See General Subject No. 4.

Subject No. 392.
Compensation for Railway lands, Nanjangud.

Summary of discussion.—The settlement of compensation for lands taken up for Nala and Railway purposes in the Nanjangud Taluk should be expedited.

Reply of Government.—The Deputy Commissioner will be requested to expedite disposal.

Subject No. 393.
Alteration of the Registration fees-scale.

Summary of discussion.—The alteration of the scale of Registration fees is again prayed for.

Reply of Government.—Noted.

Subject No. 394.
Collection of contribution under the Hulhalli Nala.

Summary of discussion.—The contribution payable by the raiyats under the Hulhalli Nala may be collected in four annual instalments instead of in a lump sum.

Reply of Government.—Application should be made to the Deputy Commissioner if real grounds exist.

Subject No. 395.
Cultivation under the Narsambudhi Tank.

Summary of discussion.—Arrangements should be made to prevent a larger extent of land being cultivated with wet crops than could be properly irrigated by the Narsambudhi tank which fills only once a year.

Reply of Government.—Ryots should begin cultivation early.

Subject No. 396.
Rules for Minor Municipalities.

Summary of discussion.—Rules for the regulation of Minor Municipalities may be passed.

Reply of Government.—See General Subject No. 4.
